

Porsche presents the new member of the 911 GT family

11/02/2021 The first GT model based on the latest generation of the Porsche 911 (992) is all set to launch. A great deal of importance was attached to the transfer of technology from motorsport to the road during its development. The result: significantly improved performance on the circuit and in everyday life.

The new GT sports car celebrates its world premiere on 16 February 2021 at 9:00 am EST online in the Porsche News TV web format – featuring, among others, Vice President Product Lines Frank-Steffen Walliser, Vice President GT Cars Andreas Preuninger and Porsche brand ambassadors Walter Röhrl and Jörg Bergmeister.
