

Porsche Tour 2025: Fueling Dreams for the SOS Children's Village

26/05/2025 More than 50 Porsche owners came together not just to take part in a scenic road trip across the Mauritius but also to raise much-needed funds for the SOS Children's Village.

Mauritius | Porsche Centre Mauritius gathered the island's most enthusiastic Porsche owners and their friends for an unforgettable drive experience which blended driving passion with a social purpose for the Porsche Tour of 2025.

Billed as the most anticipated event of the year for Porsche owners and aficionados, the Porsche Tour 2025 began with breakfast and a Driver's Briefing at the Porsche Centre Mauritius showroom on May 24, 2025 before beginning a run down to the south of the island, heading towards the breathtaking southeast coast before stopping for lunch at the Falaise Rouge restaurant.

The awe-inspiring scenery continued to unfold after lunch as the convoy of Porsches proceeded East across to the Long Beach Hotel for dinner and an overnight stay.

"The Porsche Tour 2025 is more than just a celebration of driving, it's a way for Porsche Centre Mauritius to channel the passion of our community into meaningful action and through supporting the SOS Children's Village it allows us to create a lasting impact beyond the road," said Dean Ah Chuen, CEO of Porsche Centre Mauritius.

A gala dinner was held at the Long Beach Hotel where drawings created by children from the SOS Children's Villages were auctioned off and raised Rs 158,000 which will go into establishing a pastry room at the Village.

"This year's Tour is a continuation from last year's success where contributions helped build a gym for the children, whereas this year we focused on raising funds for educational and structural development projects," said Brian Dugole, Marketing & CPM Manager at Porsche Centre Mauritius.

The initiative included donations from participants, brand partners and sponsors, reaffirming Porsche's commitment to supporting local communities.

At the conclusion of the Porsche Tour 2025, a cheque was handed over as the highlight of the celebrations.

"Porsche Centre Mauritius has always been a close and active participant in the local community and we decided to 'Fuel a few Dreams' of the children in the SOS Children's Village with this great initiative.

"It was a perfect way to spend time with our clients, customers and friends as well as further contribute to our local society," said Dugole.
